ski CHALET Le LARZEY

1977

with Sheena & Jane

*To find us back in Verbier,
 May cause you some surprise.
 The country's broke and all in debt,
 They tell us it's unwise.*

*We should have turned to Italy,
 Where lire falls with pound.
 But how could we leave our Larzey.
 The finest place around.*

*There's miles and miles of powder snow,
 And heaps of winter sun.
 Chalet parties constantly,
 Provide a varied run.*

*We're told by all—don't compromise,
 Verbs is the best all round.
 To miss a winter on those slopes,
 Who cares about the pound!*

*With powder poofs and all things strange,
 And picnics in the sun.
 If in seventy-seven you want the best,
 TO LARZEY YOU MUST COME!*

Verbier

For many skiing enthusiasts Verbier needs little introduction. It is a three hour drive from Geneva and is situated above Martigny facing the beautiful Mont Blanc range.

Verbier has 70 miles of marked pistes and one of the most comprehensive lift systems satisfying every standard of skier. Set on a sunny bowl at 5,000 - 10,000 feet the inter-linked system provides the opportunity for long and varied runs. From the precipitous heights of Tortin and Mt Gele to the wide, gentle slopes of Savoleyres or wooded runs of

La Tzoumaz — the choice is yours. To ski Verbier is to ski wide, open and free.

Despite its popularity, Verbier is principally a chalet resort which has maintained its relaxed village atmosphere. Après-ski is lively and informal—visit Harry's Bar or the Rodeo Bar, Restaurant and Disco or the Farm Club—then its up to you, and your stamina.

Verbier also offers many additional amenities—indoor swimming pool, saunas, cinema, ice rink and ski bobbing.
