JOHN MORGAN TRAVEL
SKI HOLIDAYS WINTER 1975-76

INTRODUCTION

Our aims are quite simple. To provide excellent ski holidays in the top resorts of Europe at the right kind of prices. And in this, our fourth winter sports programme, we think we have achieved all this. Knowing only too well the dangers of becoming too large and impersonal, we have consciously restricted our scale of operations and, by using last year – our most successful yet – as a guideline, we have produced what is in our opinion our most exciting programme.

In this brochure we have tried to give as much accurate detail as we can about our holiday arrangements, resorts and accommodation, but our service certainly doesn't end there. Between us we have amassed a great deal of personal knowledge on all aspects of the skiing holidays we offer, so please take advantage of the very individual service we offer to our clients, both in our London office or in the resorts themselves. Write, telephone or, better still, call in and see us and we shall make every effort to give you the best possible advice on your holiday.

We offer three distinct types of holiday: STAFFED CHALET PARTIES for individuals, private parties and families, SELF-CATERING APARTMENTS for smaller groups of friends and families wishing to be completely independent and HOTELS which have been chosen for good service and individual attention. Chalet parties still remain our particular speciality and form the major part of this programme, but we do have a quickly growing reputation for providing successful hotel and self-catering holidays. So, we hope that those of our clients who have enjoyed chalet parties with us in the past, and are thinking of a slightly different kind of skiing holiday, will again give us the opportunity of arranging it for them.

New this year are ONE-WEEK HOLIDAYS which we have introduced in certain resorts to meet a growing demand from our clients. They offer particularly good value for those people who wish to take a quick week's skiing, when for whatever reason two weeks are not possible. We think they will be very popular.

Chalets for everyone

Chalets parties are for everyone — for individuals, private parties and families, this is the ideal way to spend a ski holiday. Because by staying in a chalet party it not only enables you to ski in the very best resorts at a fraction of the cost of a hotel holiday, but it also provides you with the freedom, comfort and informality of what can be treated as your own home for a fortnight. But with a difference, for unlike your own home, there is no work to be done, so you can ski and enjoy yourself, confident that you will be well looked after in the friendly relaxed atmosphere of a chalet party.

In each chalet, depending on its capacity, there are sufficient chalet girls, to cook, clean and look after you. Normally this means two or more girls per chalet, with the occasional small unit (i.e. 8 or less people) staffed by one girl. They are your hostesses for the holiday, and have been selected as much for their friendly personality and ability to make you feel at home, as for their ability to provide you with excellent food. Most of our girls are qualified cooks, as often as not with a Cordon Bleu or equivalent diploma. Before they take off for the season, we give them a thorough briefing, so they in turn will be able to provide you with all the information you are likely to need about your resort, and help with the purchase of your ski lift pass, ski school tickets and ski hire.

Three meals are provided a day — breakfast, tea and dinner. Lunch has been deliberately left out, since most people prefer to have lunch in a mountain restaurant rather than waste time coming back to the chalet.

Breakfast is of the continental variety, with coffee or tea, rolls, butter and jam. But, if you wish, you can also have porridge or boiled eggs as well.

At tea-time you help yourself and you can also invite friends to join you. The girls will leave everything out ready for when you come in from skiing — tea, hot chocolate, cakes, fresh bread, butter and jam — and they will wash up after you have finished.

Dinner is the big meal of the day. A three-course affair, complete with wine and coffee; it is the time when a chalet party comes into its own. All you have to do is just sit back and enjoy the good food and company in the friendly and leisurely atmosphere of your own chalet. As a relaxing way of spending an evening it would be hard to beat.

Once during your holiday we ask you to eat out and although this is mainly to give our girls a night off it also enables you to enjoy the atmosphere and food of a local restaurant.

Zermatt

Chalet Rabolot | Courchevel

We have selected all our chalets carefully with a view to comfort, position, amenities and character. Obviously some chalets have more of one advantage than another and although standards do vary, a disadvantage is usually outweighed by a corresponding advantage. We try to be as honest as possible in the descriptions on the resort pages about the pros and cons of each chalet.

You will find an exact breakdown of the bedrooms and living accommodation and usually there is a choice of single and twin rooms, with the occasional triple. Floor plans, and in most cases, photographs, are available on request.

Baths, or in some cases showers, are free but it should be remembered that the chalets are private houses as opposed to hotels so that hot water systems do need using with consideration.

CHALET PARTIES AND WHAT'S INCLUDED IN THE BASIC HOLIDAY PRICE

1. Return travel by British Caledonian BAC 1-11 jet flight from Gatwick to Geneva for Swiss and French resorts or Munich for Italian resorts and onward to your resort by private coach (and, in the case of Zermatt, train).
2. Airport tax at Gatwick, Geneva and Munich.
3. Representatives to see you off at Gatwick, meet you at Geneva or Munich and escort you to your resort.
4. Transfer of luggage to and from your chalet.
5. Accommodation in your chalet for the period of the holiday with sufficient chalet girls to look after you.
6. Three meals a day: breakfast, tea and dinner, the latter including wine and coffee.
7. All taxes in the resort.

All this is included in the basic holiday price which varies according to the date of departure and resort; details are given on the relevant resort pages. In addition, there are substantial reductions for parties and families with children and you can find out more about these on page 8. You can also obtain through us, usually at a saving, the following items, details of which are given on pages 33 and 39 and under each resort:

- ski lift pass
- ski hire
- ski school instruction
- comprehensive insurance

BOOKING AS AN INDIVIDUAL

A chalet party has always been one of the best ways of taking a holiday on your own or with a small group of friends. It means that you are sure of meeting people and having a good time. You can join a party made up by us knowing that we will have made every effort to ensure that people are of similar ages and interests. And once in the chalet our girls will help everyone to get to know each other.

But in order to help us in making up compatible parties we do have a 17-40 age limit for individual bookings. That's why we ask you about your age and occupation on the booking form, and in order to make the job of fitting you in with a suitable party easier, we ask you to be as flexible as possible about dates and resorts, giving as many alternatives on the booking form as possible. Better still, telephone us so that we can discuss all the various possibilities.

Chalet Tom Kitten/Verbier

TAKING YOUR OWN PARTY

Why not get together your own party of friends and take over a complete chalet? This has become an increasingly popular way of taking a chalet holiday in recent years and it means you can earn an attractive discount for taking some of the organisation away from us.

If you do organise your own party there is no age limit since it is entirely up to you whom you recruit as members of your party. Of course we will give party leaders every assistance to enable them to make up their party and supply them with photographs of the chalet, floor plans and any other information they might need. And we give a reduction on two week holidays of £6 per person to adult parties of 8 or more in number, and £4 on one week holidays.

All negotiations for party bookings will be made with the party leader who must pay the appropriate non-refundable deposit of £10 per head to cover the number of places booked. If within eight weeks of departure some of the places remain unfilled, we reserve the right to levy cancellation charges as set out on page 36 although we will, if requested, make every effort ourselves to find people to make up the numbers if your party is within the 17-40 age limit. The party discount will, however, in this case, only apply to those members recruited by the party leader's own efforts.

If, at the time of booking, a party wishes to book a complete chalet for fewer people than the advertised number in order to enjoy more space and greater privacy, then we will charge 50% of the basic holiday cost for each unfilled bed.

It is the party leader's responsibility to ensure that all his party have paid in time for final payment to be made to us eight weeks before departure. Once payment is made the party leader will receive the appropriate party discount

FAMILY PARTIES

A chalet party is in our opinion the ideal way for a family to take a skiing holiday either by themselves or by joining forces with another family. Above all it gives you the flexibility of being able to arrange meal times with our girls to suit yourselves and of having the use of the kitchen to prepare food for very young children. It also allows you the informality of doing exactly as you would in your own home, children can have the run of the house without disturbing other guests as they might in an hotel. And, of course, it is easily the most economical way of taking your family skiing.

Provided there is a total of at least 8 people in the party, we give the following reductions for families

Adults: £6

Children under 12: £7

Infants under 2 qualify for a discount of 80% on the basic holiday cost and we can often quote special terms for additional small children squeezing in over and above the advertised capacity of the chalet. There are also substantial reductions for children on ski lift passes, ski school and ski hire. Our reservations staff will be happy to supply further details of these on request.

Otherwise the same conditions of booking apply to family parties as to private parties mentioned above.

HOTEL HOLIDAYS AND WHAT'S INCLUDED IN THE BASIC PRICE

We have made arrangements with certain selected hotels in the same resorts as those where we operate chalet holidays, for the benefit of those people who prefer the greater comfort and fuller service of a hotel holiday, as well as the opportunity to mix in a more cosmopolitan atmosphere.

The basic price of a hotel holiday includes:

1. Return travel by British Caledonian BAC 1-11 jet flight from Gatwick to Geneva for Swiss and French resorts or Munich for Italian resorts and onward to your resort by private coach (and, in the case of Zermatt, train)
2. Airport Tax at Gatwick, Geneva and Munich
3. Representatives to see you off at Gatwick, meet you at Geneva or Munich and escort you to your resort
4. Luggage transfer to and from your hotel
5. Full or half board or bed and breakfast accommodation for the duration of your stay and the services of a local representative

All our hotel prices are quoted per head on the basis of accommodation in twin-bedded rooms and for single occupancy a supplement is payable. As with the chalet holidays, you can also take advantage of the special prices we have negotiated for things like ski lift passes and ski equipment hire, arrangements for which will be made by our representative on the spot. Full details of the latter and of insurance, are to be found on pages 33 and 39 as well as under each resort.

We have selected all our hotels as offering good food, position and amenities as well as excellent value for money. In line with our usual policy we have avoided large stereotyped package tour hotels, preferring smaller hotels which offer a high standard of personal service. In most cases there is a choice of full or half-board accommodation, and, in some cases, bed and breakfast, and of rooms with or without bath or shower.

The hotels featured in this brochure, represent a small selection of those we are able to offer; we shall be happy to quote for any other hotel in which you might be interested, inclusive of travel.

SELF-CATERING APARTMENT HOLIDAYS

Once again we are pleased to offer a number of self-catering holidays in certain of the resorts featured in this brochure. We have selected Avoriaz, Val d'Isère and Tignes as having the best available accommodation for this type of holiday and you will find full details of prices under these resorts.

- Included in the basic price of a self-catering holiday:
1. Return travel by British Caledonian BAC 1-11 jet flight from Gatwick to Geneva and onward to your resort by private coach.
 2. Airport Tax at Gatwick and Geneva
 3. Representatives to see you off at Gatwick, meet you at Geneva and escort you to your resort
 4. Luggage transfer to and from your apartment
 5. Use of the apartment for the period of your stay and services of a local representative
- As with all other holidays, ski lift passes, ski school instruction and ski and boot hire can be purchased through our representative in the resort usually at a considerable saving. Details of these, as well as insurance cover, are on pages 33 and 39 as well as under each resort.

We recommend the self-catering arrangement for those people who like to be completely independent, and who enjoy a reasonable degree of comfort. All apartments are well equipped and will sleep a varying number of people depending on how far you are prepared to "squeeze" people in. Obviously the more the cheaper!

Your Ski Resorts

As always, our selection of resorts is based on the need to provide both excellent skiing and good facilities. And, despite ever-increasing costs, we still haven't lowered any of our standards for the 1975/76 winter season and only offer resorts which provide the

best of both. Not the cheapest available, but we do believe that, as resorts, they represent the best value skiing money can buy. Starting with Switzerland, we again have three of the top resorts – ZERMATT, VERBIER and SAAS FEE. These resorts have been in our programmes since the beginning and are as popular as ever. In France we have chalets in VAL D'ISERE, TIGNES, AVORIAZ, MEGEVE and COURCHEVEL. MERIBEL is our new introduction to the programme, and is a resort which should greatly appeal to all skiers, lying as it does in the heart of the famous Trois Vallées. In the Italian Dolomites, following the first incredibly successful year, we have now doubled our chalet accommodation in ORTISEI and have a completely new chalet in SELVA, a very attractive resort, a few miles further up the Val Gardena.

Verbier 4920-9915 feet

Verbier has been one of the foremost Swiss ski resorts for many years. This is not hard to see why, for in terms of skiing alone it has a remarkable amount to offer, both in quality and quantity. There are something like 70 miles of marked pistes, not to mention the vast tracts of marvellous off-piste skiing. Added to all this is the lift system which is one of the best in Switzerland, with 30 lifts covering the resort's main ski areas, plus several more in the neighbouring villages of Bruson and Champex - all included in the Verbier lift pass. This lift pass also now includes the shuttle bus service between the main lift terminals in the village.

Savoieyres and Ruinettes are the two ski areas, and combined, offer an almost limitless choice of skiing. On the Ruinettes side are the steep and difficult runs of Mont Gelé and Tortin, plus miles and miles of open pistes on Attelas and around Ruinettes itself. And Savoieyres, although not quite so extensive includes some fabulous wooded runs on the north-facing La Tsoumaz slopes.

Beginners have nursery slopes in the village itself and on Savoieyres and the Lac des Vaux. Small children are especially well catered for with well-organised nursery classes, and as Verbier offers a special family lift pass, it does make it a resort that has great appeal for families.

The resort of Verbier was built just above the old Valaisian village of the same name. It is in a marvellous position, in an open sunny bowl facing the famous Mont Blanc mountain range. By being principally a chalet resort, it means that Verbier's skiing population tends to be young groups of all nationalities. This helps create a very lively informal atmosphere and, as apres-ski in the resort tends to be on the expensive side, much of the evening entertainment centres round inter-chalet parties. For a more sophisticated scene, however, there are several formal nightclubs including Tara's, Marshall's and the Farm Club, plus several very good restaurants.

Chalet Edelweiss

Lifts included in the Verbier lift pass: 2 cable cars, 5 gondola lifts, 9 chair lifts, 14 drag lifts and 5 nursery lifts.

Other amenities: Natural ice rink. Curling. Ski bobbing. Indoor swimming pools. Saunas. Bowling. Cinema. Kindergarten.

TOM KITTEN Chalet for 12

About 10 minutes from the centre of Verbier, Tom Kitten must rate as one of the best chalets in the resort. Extremely comfortable, and with magnificent views, it has an attractive sitting/dining room with open fireplace. Two of the bedrooms are reached by an outside staircase, and both the latter have their own shower and wc. There is constant hot water throughout the chalet.

6 twins (all with h & c, 2 with shower and wc), 1 additional shower, 1 bath, 2 separate wc's, balcony.

CLAIRFONTAINE Chalet for 14

Situated roughly between the lift terminals of Savoleyres and Ruinettes. Clairfontaine is a large roomy chalet with two separate sitting rooms. Very sunny balconies and marvellous views.

6 twins (2 with h & c), 1 very small double with h & c, 2 baths, 3 wc's, separate sitting room, balconies.

EDELWEISS Chalet for 12

This is an attractive chalet situated close to the Moulin nursery slope and about 5 minutes on foot from the centre of Verbier. Two of the twin bedrooms, together with an extra sitting room, one bath and one wc are reached by a separate outside entrance. The chalet has very sunny balconies.

5 twins, 2 singles, 2 baths, 2 wc's, extra basin, sitting/dining room and separate sitting room, balconies.

HOTEL EDEN

The Hotel Eden has long been a great favourite with British skiers. Ideally situated just off the main square it is a hotel with a very friendly atmosphere and personal service. All rooms with private shower, wc, radio, telephone and balcony. Full board is recommended as the hotel offers lunch vouchers worth Fr5.00 for full board clients, giving the option of lunch in the hotel or in a mountain restaurant. As an added attraction in 1975/76, in addition to continental breakfast, the Eden will be serving fruit juices, boiled eggs, ham and cheese board.

For guests not travelling direct to Gatwick, rail transport is available from Victoria. The train journey takes approximately 40 minutes and check-in time at the British Caledonian terminal at Victoria is approximately two hours before flight departure. Final travel details will be sent to you together with your tickets approximately 10 days before departure.

INDEPENDENT TRAVEL

On most departures we are able to give a reduction for people not taking advantage of our charter flights and coach transfers, amounting to £18 per head. If, however, you would like, to travel independently we ask you to give us plenty of warning that you wish to do so, to enable us, if necessary, to re-sell your flight seat. Otherwise, we may not be able to give you the reduction.

SCHEDULED FLIGHTS

For those who prefer to travel by scheduled flight rather than on our own charter flight, we are able to arrange this at special inclusive tour fares on the scheduled services of British Airways, Swissair and other IATA carriers, normally at a small supplement.

We shall also be happy to quote for travel by scheduled flight via Zurich, Basle and Lyon. The relevant reference numbers for the inclusive tours we offer by scheduled flight are as follows:

Geneva IT5 BA2/S425	Lyon IT5 BA2/S428
Zurich IT5 BA2/S426	Munich IT5 BA2/S429
Basle IT5 BA2/S427	

This brochure is issued on the sole responsibility of the tour operator. It is not issued on behalf of and does not commit the airlines mentioned therein, or any airline whose services are used, in the course of the tours.

SKI LIFT PASS, SKI SCHOOL INSTRUCTION, SKI AND BOOT HIRE

All of the above items can be obtained on the spot in the resort and, in the case of ski lift passes and ski and boot hire, we have negotiated special reduced rates for our clients; prices quoted in local currency are shown on each resort page. Arrangements for the collection of your ski lift pass, ski school tickets and hired equipment will be made through your chalet girl (or our local representative) who will be able to advise you of the best buys according to your ability and conditions at the time.

We suggest that, although there is no hard and fast rule, it is worth everyone from second year skiers upwards taking advantage of a ski lift pass. It will constitute a considerable saving if you wish to spend the maximum time skiing. Beginners are better advised to buy coupon tickets or punch cards although in some resorts, notably Courchevel, they may be able to justify a full abonnement, especially if they are likely to make quick progress.

Ski school instruction is virtually essential for beginners if they wish to make real progress and many experienced skiers find it useful to help them improve their technique. If you are anxious about not committing yourself too heavily in advance to ski school lessons, we suggest you take 6 lessons and then purchase more tickets as and when you need them. Private instruction, either individually or collectively, is available in all resorts.

In most cases children under 12 (sometimes under 16) are eligible for substantial discounts on ski lift passes, ski school and ski hire. Please ask our reservations staff for further details.

We have made arrangements with certain local sports shops for the hire of equipment at prices which constitute a considerable saving over prices normally obtainable in the resort. It also saves you the bother of carrying skis to and from the U.K. and keeps your luggage allowance for the flight intact. It also means you have more flexibility if you wish to change your equipment halfway through the holiday. You have the choice of the type of equipment you hire and we give you an example of prices on each resort page. Please note that hired skis are normally insured for breakage or accidental damage but not for loss or theft. In some resorts a deposit is required for hired equipment which is reimbursed when you return the equipment safely at the end of your holiday.

LAST MINUTE HOLIDAYS

On certain dates we shall be making a reduction in the advertised price of a small selection of holidays listed in this brochure of up to £10, provided you book during the month in which the holidays are available.

HOLIDAY PRICES

In common with other ski tour operators, all holiday prices are based on rates of exchange as quoted in the *Financial Times* 'World Value of the Pound Table' on 4th March 1975. Owing to the continued floating of the pound and the instability of international exchange rates we must reserve the right, where necessary to levy surcharges on the prices quoted in this brochure up until the date of departure, irrespective of whether or not payment for the holiday has been received.

AIR TRAVEL RESERVE FUND

Following recent Government legislation we are obliged to make a levy of 1% of the holiday price to be added to the final invoice, on all holidays listed in this brochure departing before 1st April 1976. After this date the levy is to be increased to 2% of the holiday price. The levy, which is not included in the prices quoted in this brochure, is to be paid into the Air Travel Reserve Fund set up by the Government to give added financial protection to all inclusive tour passengers on charter or part charter flights.

SUMMER 1976

In 1976 we shall once more be offering a selection of staffed villa parties, self-catering villas and hotel holidays around the Mediterranean.

Amongst our summer holiday destinations we shall again be featuring a number of firm favourites like Lindos on the island of Rhodes, Crete, Corfu, Corsica, Elba and Menorca as well, we hope, as one or two new centres.

All will have in common that they are places with lots of local colour, unspoilt by mass tourism.

Our Summer 1976 brochure is due out this autumn 1975, but in the meantime please do not hesitate to write or telephone us for any further information.

John Morgan Travel is a bonded member of the Association of British Travel Agents and holder of Air Travel Organisers Licence No. 052B issued by the Civil Aviation Authority.

HOW TO BOOK

Please complete ALL parts of the booking form and send it to us as early as possible together with a deposit of £10 per head, giving us as many alternative choices as possible of chalet/hotel/apartment and departure dates.

If you need advice or assistance about your proposed holiday, please telephone us or call on us at our office, and we shall be delighted to do everything possible to help you. We are prepared to hold bookings provisionally without deposit for up to two weeks, depending on the time of the year.

BOOKING CONDITIONS

1. No contract is made with any Client making a booking unless John Morgan Travel ('JMT') has confirmed in writing its acceptance of that booking. All bookings must be made in writing on the Booking Form provided in this brochure and be accompanied by a deposit of £10 per person.

2. The balance of the price of a holiday must be paid to JMT at least eight weeks before departure. If JMT does not receive the balance by then, it reserves the right to cancel the booking without further reference to the Client, to forfeit the deposit paid, re-sell the holiday booked and to levy cancellation charges under Condition 6(b) hereof as appropriate.

3. In conformity with other major ski tour operators, all holiday prices in this brochure are based on prevailing exchange rates at the 4th March 1975. Owing to the continual fluctuation in currency exchange rates, and the frequent increases in fares and costs generally, JMT reserves the right at any time up until the date of departure, irrespective of whether or not payment for the holiday has been received in full, to make such alterations in prices and to levy such surcharges as it considers appropriate. The holiday prices in this brochure take no account of any contribution which JMT must make to the Government Air Travel Reserve Fund in respect of its holidays and the right is reserved for JMT at any time as aforesaid to recover from a Client the amount of such contribution in relation to the holiday booked.

4. JMT shall not be liable to a Client for any loss, damage or expense howsoever arising in relation to a holiday unless such loss, damage or expense is the direct result of the negligence of JMT, one of its employees or any misrepresentation made by such person. JMT wish to make it clear that the persons who provide accommodation, transportation, or any other services in relation to a holiday are not employees of JMT and at all relevant times JMT shall be deemed to be acting as the agent of such persons.

5. (a) JMT has taken all reasonable care to ensure that the information contained in this brochure is correct at the time of going to press. The information supplied herein is provided in good faith but as the facilities available for a particular holiday may after the printing of this brochure be altered or withdrawn by reason of circumstances outside our control, no representation is to be implied as to the accuracy of the information. JMT reserves the right to alter, vary or otherwise modify any booking or other arrangement made with any Client, in which event JMT shall not be liable for any loss, damage or expense caused thereby. In the unlikely event of a material alteration becoming necessary in the services provided in relation to a holiday, the Client will be given an option of either accepting comparable alternative arrangements or receiving a full and prompt refund.

(b) JMT reserves the right to cancel a Client's booking after it has been accepted save that in the last eight weeks before scheduled departure JMT shall only be entitled to cancel a holiday by reason of factors which

are outside JMT's control such as war, political unrest, natural disaster, closure of airports or strikes in any country to which the holiday or booking relates. If such a cancellation occurs, JMT will offer the Client a comparable alternative holiday, if available, or a full and prompt refund.

6. (a) If a Client wishes to alter a booking after it has been accepted by JMT, a £3 alteration fee will be charged to cover the administrative work involved.

(b) Cancellation of a booking by a Client does not become effective until JMT has received written notification thereof from the person signing the Booking Form. In accordance with the practice approved by the Association of British Travel Agents, the following charges will be levied in the event of cancellation by a Client: -

Period Before Departure	Cancellation Charge Expressed as a Percentage of the Holiday Price (Inclusive of Extras)
4-8 weeks	30%
2-4 weeks	45%
1-2 weeks	60%
1 week or less	90%

You are strongly advised to take advantage of JMT's cancellation and holiday insurance scheme which is detailed in this brochure and we would point out that you and your party will automatically be covered unless 'NO' is inserted in the appropriate boxes in the Booking Form.

7. In the unlikely event of a Client having a complaint about his holiday which cannot be settled amicably, the dispute may be referred to arbitration under a special scheme devised by the Institute of Arbitrators after consultation with the Travel Industry. This scheme provides a simple and inexpensive method of arbitration by the submission of documents alone. If this method is chosen, a Client's liability for costs will be limited but if a normal attended hearing is required, there is no limitation in respect of costs. Full details of the scheme will be provided upon request.
