The Resorts

Ski MacG can arrange holidays in the following resort:

Verbier—Switzerland
Val d'Isere and Tignes—France
Courmayeur and La Thuile—Italy

Self-Catering Holidays

Stay in an apartment or chalet with a group of people of your own choosing; eat where and when you like. You can be totally independent but there will be someone in the resort whom you can contact should you have a problem or want advice.

As many clients prefer to travel by car taking their own food and linen with them, travel is an optional extra. Prices are quoted as a guide for average-good standard and centrally situated apartments.

Prices for more luxurious or cheaper accommodation can be quoted on request to suit your own requirements. All apartments are subject to availability.

Catered Holidays

Come in a party or as an individual and enjoy the homely, informal atmosphere of a specially selected chalet or apartment. Your own chalet-girl will be on hand to cook and do the housework as well as help organise parties, ski picnics etc., when required, and generally give assistance and advice.

Meals are provided as follows:

Breakfast Continental, supplemented with boiled eggs and porridge.

Tea A 'Help Yourself' affair at which friends are welcome.

Dinner 6 three-course dinners with wine and coffee are provided each week. This gives the chalet-girls one night off each week and enables guests to try out some of the specialities at local restaurants.

Our Prices Include
